From the note and file put up below, it will be observed that Govt. in their Pro. No. 52664-9 dated 27th May 1908, sanctioned an annual State Grant of Rs 4,200/- for the daily performance of worship and conduct of certain charities at the Brindavan

constructed at Calcutta in memory of H. H the late Maharaja Chamarajendra Wodeyar Bahadur G.C.S.I. The management of the charities vests in the hands of the Calcutta Agent Hon'ble Mr F.A. Larmour, under the direct control of H. H the Maharaja Correspondence regarding the charities is being carried on between the Agent and the Assistant Private Secretary to His Highness. An imprest of Rs 750/- has been advanced to the Hon'ble Mr Larmour to meet the sanctioned expenditure, sums spent from it having been ordered to be recouped to him every month on submission of monthly accounts The Mysore Department of Govt has been entrusted with the duty of forwarding to the Comptroller the accounts relating to the charities received through the Assistant Private Secretary to His Highness for recoupment of the imprest amount to the Calcutta Agent

Diary

The Hon'ble Mr Larmour has now sent up consolidated accounts of expenditure since he assumed charge of the charities on the 17th September 1908 From these accounts, it is observed that the expenditure from that date up to the 30th inst. 1909 has amounted to Rs 764-2-0, and that this sum has been apparently met from the full imprest amount, leaving a balance of Rs 14-2-0 still

remaining to be paid to the Agent. He has therefore to be reimbursed of the full sum of Rs 264-2-0 including the permanent advance, and the Asst Private Secretary has accordingly countersigned the accounts for that amount.

From the accounts, it is also observed that one Babu Prayag Rai Mookherji has been appointed by the Hon'ble Mr Dumraon as the local Agent to look after the affairs of the charities excepting the payment of wages to the staff, and that he has entered upon his duties from the 1st December 1908. His pay has been charged at the rate of Rs 35 per mensem for the months of December 1908 and January 1909

In para 11 of the G.O of the 27th May 1908, referred to above, it is expressly stated that the annual State Grant of Rs 4,200/- sanctioned for the charities does not include the pay of the local Agent, as it was not then ascertainable. Now that such an Agent has been appointed and his pay fixed at Rs 35 per mensem, the confirmation of the Financial Deptt is perhaps required for the recurring expenditure, and after orders are passed in that behalf, a corresponding addition of Rs 420 a year, will have to be made in the Murpai Budgets of future years, under the head of the Memorial Works

at Calcutta As regards the current official year, however, there appears to be no need for any additional grant for this extra expenditure, for only a sum of Rs 764 odd has been spent during the past nearly 4½ months leaving a balance of over Rs 3,435/- for expenditure during the remaining 5 months with reference to this, the Hon'ble Mr Lawson states that although the full quantities of the articles sanctioned for puja and distribution of charities are being used, the small savings shown are due to buying in bulk and distributing one anna in lieu of three, fuel to each applicant up to 50

Orders are solicited on the following points:-

(1) Confirmation regarding the entertainment of a local Agent of the charities on Rs 35/- p.m.

(2) the inclusion of the above charge in the Budgets of future years

(3) forwarding of the accounts of the Hon'ble Mr Lawson to the Comptroller for payment of Rs 14-2-0 and reconstitution of the permanent imprest of Rs 750/-, after the confirmation order is received

Forwards copy of a letter dated 3rd Dec. received from the Hon'ble Mr. J.A. Larmour Agent ~~of Calcutta~~ to supervise the affairs of the Memorial Works at Calcutta and requests the issue of needful orders agreeably to the terms detailed therein

The Hon'ble Mr. Larmour says in his letter that he has appointed Babu Prayag Rai Mookerji as the local Agent for the charge on a salary of Rs 35/- per mensem which will be raised to Rs 40/- at the end of 1909 (pre-sumably December), which will be the maximum. He further says that he does not propose to use the full sum of Rs 51/- sanctioned by Govt for the Memorial Staff (excluding the pay of the local Agent refd to above), that at present only (Rs 13 + 13 + 9 + 8) Rs 43/- are spent therefor, and that he would give annual increments until their pay ~~amounts~~ in all comes up to the sanctd allotment. In conclusion, he observes that it is a matter of indifference to the Muzrai Dept as to how the pay is distributed, provided the work is done and the maximum sum allotted

A few days ago, when the accounts of the Charities had been received from the Hon'ble Mr. Larmour, a local Agent was observed there-from to have been appointed on Rs 35/- per mensem, and it has been ordered by the Dewan that the Financial Secretary should be consulted for including in the Budget the additional sum of Rs 420/- required for payment the local Agent and at the rate of Rs 35/- per mensem. The Hon'ble Mr. Larmour now proposes to raise the pay of the latter by Rs 5/- at the end of Dec. 1909. The difference of Rs 30/- ~~required~~ required for this purpose from January to July 1910 will have to be added to the Budget provision, but it is respectfully pointed out that during the next official year, the full allotment of Rs 5/- sanctioned as pay of the staff will not all be required as the Hon'ble Mr. Larmour says that only Rs 4/- is at present necessary, and that therefore the additional sum of Rs 30/- required for meeting the increased pay of the local Agent during the second half of the next official year, may be met out of these savings.

Assistant Private Secretary to

H.H.the Maharaja of Mysore G.C.S.I.

Dear Sir,

Enclosed I have the pleasure to hand you accounts of expenditure on the Mysore Memorial Temple since I took over charge in September. You will see from the accounts that there is a balance of Rs.14/2 due to me and I should feel obliged if you would kindly unstruct the Officer-in-charge to remit me this together with R750/ the amount His Highness wishes me to hold to credit of Memorial account.

I have classed the payments under their several headings as I have been paying the amounts myself,but from the 1st Instant the local Agent Babu Broyag Raj Mukerjee will make all payments excepting the wages of the Staff which I shall continue to do. He will submit his monthly accounts to me in a similar manner to the enclosedand I shall as I have done this month,advance him a sum of money to meet all expenses. His monthly account plus salary and wages is what I shall trouble you with in futureand if these amounts are remitted monthly by the Huzroi Superintendent Department it will keep the standing credit up to its full.

You will notice that the daily Pooja account and the daily distribution of Charity account do not show the full amount

sanctioned as being spent . Although the full quantities of the articles sanctioned under both these headings are being used the small saving shewn is effected by buying in bulk and distributing daily, nothing is stinted. In lieu of Ghee, Fuel, etc, etc, we give each applicant up to 50 one anna in cash . I have sent my account for Garden Tools etc to the Chief Engineer who has sanctioned the amount .

I enclose you copy of letter I have today addressed to the Chairman of the Calcutta Corporation re the taxes on the Temple property and I hope shortly to report that I have received a favourable reply.
